

Where do things come from?

From things that grow... or from rock...

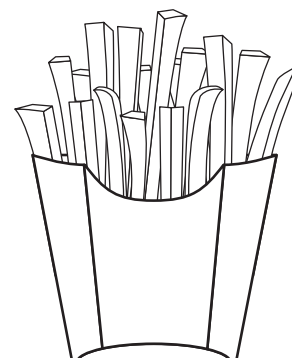

Tree

Grow From rock

Pop cans

Grow From rock

French fries

Grow From rock

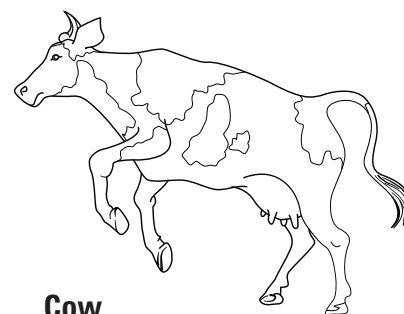

Coins

Grow From rock

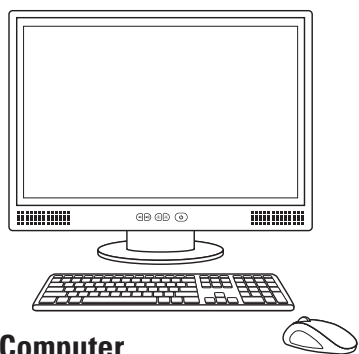

School bus

Grow From rock

Cow

Grow From rock

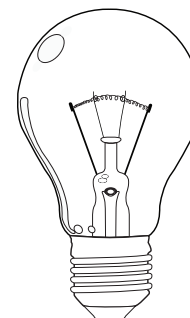

Computer

Grow From rock

Bottle of milk

Grow From rock

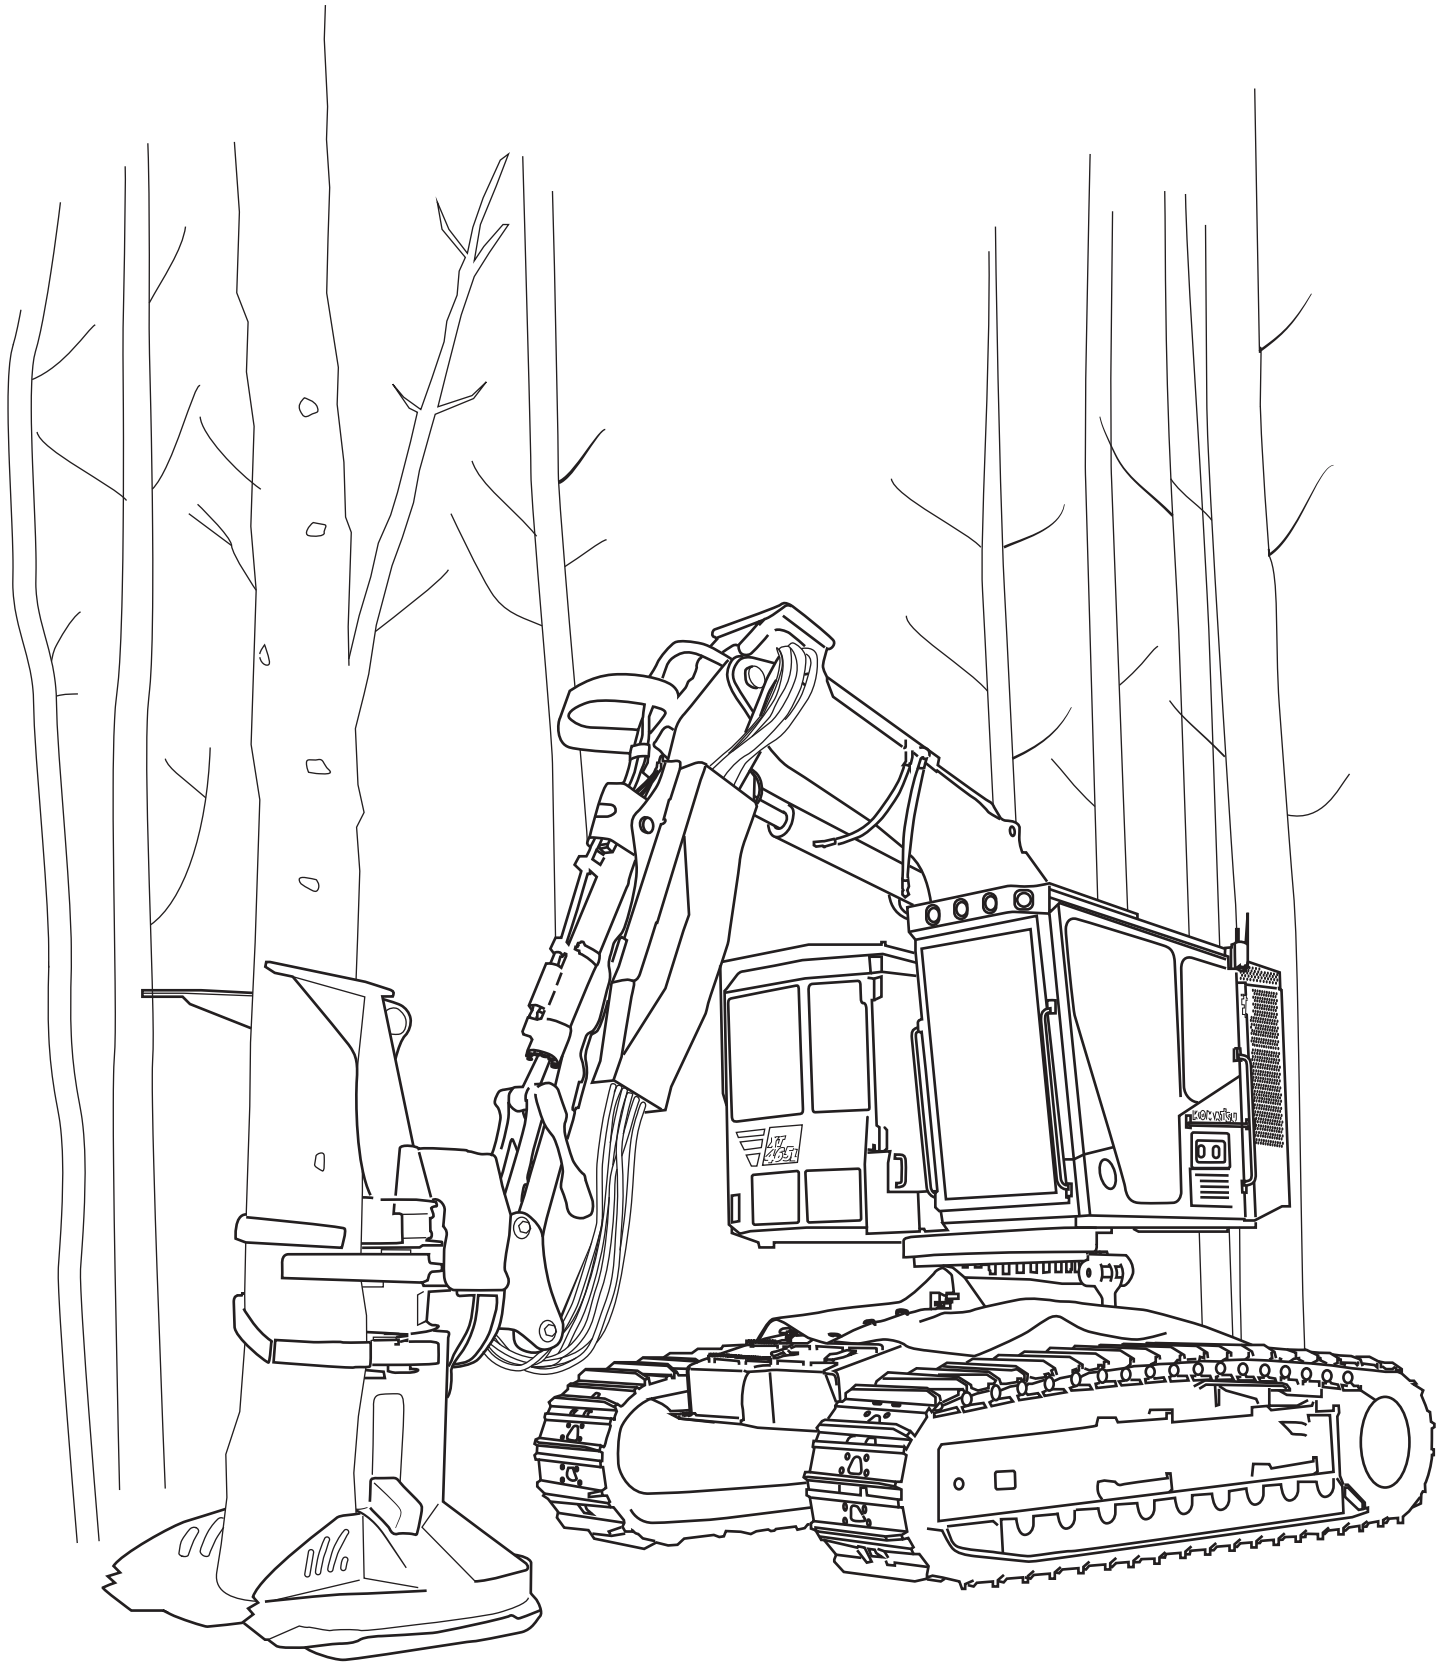

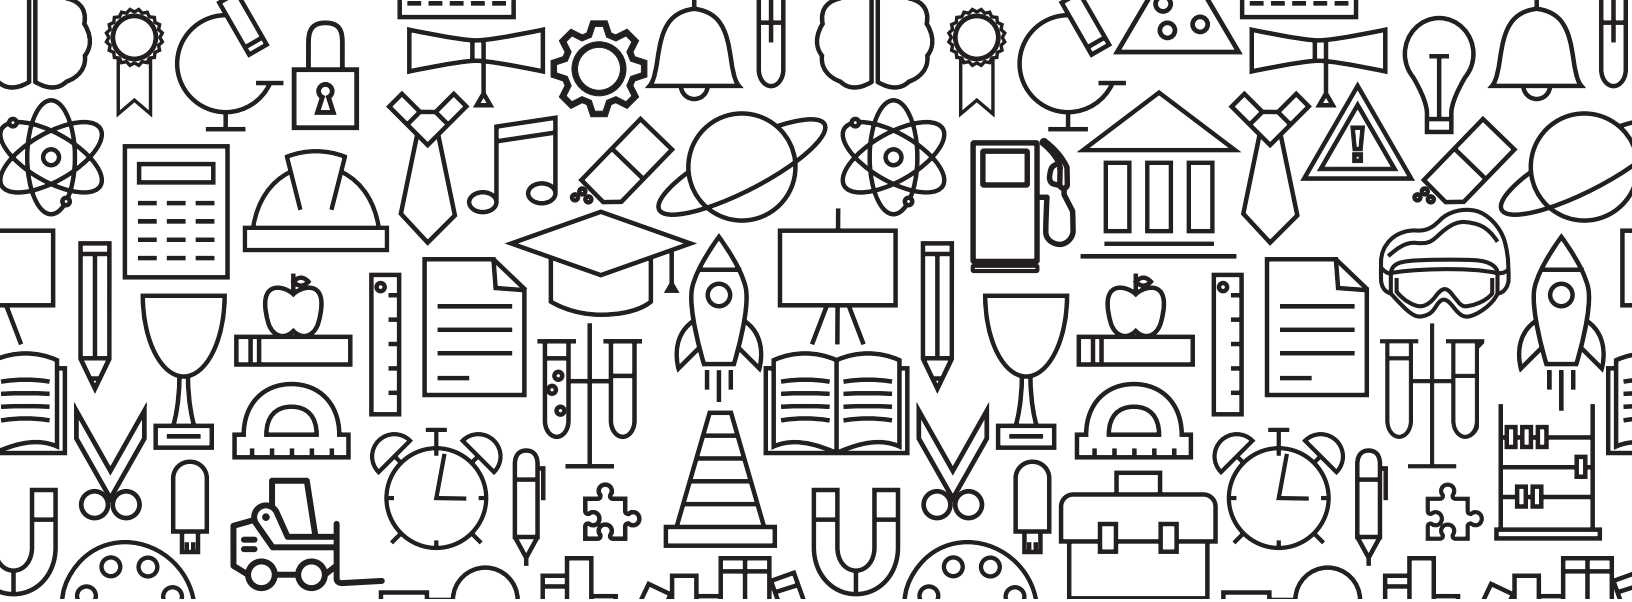

Light bulb

Grow From rock

*Some things can come from both — they can grow **and** they can come from rock.*

Everything comes from our natural resources
