

Generators

Joy Global generator service employees have extensive experience with all types and sizes of generators. Regardless of the industry, Joy Global has the experience and knowledge to provide support for:

- Mining
- Co-gen plants
- Paper and pulp
- Rail / OHV traction

Joy Global's service capabilities for generators include:

- 24 hour / 7 day support throughout Australia
- Site service capabilities for inspections and tests
- Rotating diode assembly testing and repairs
- Crane lifting capacity (from two tonne wall mounted to 35 tonne overhead)
- Overhauls/rewinds and repairs
- VPI (Vacuum Pressure Impregnation) encapsulation systems
- In-house mechanical capabilities for machining, manufacture, balancing and reclamation
- Comprehensive inspection and test reporting

Contact us about these and other service capabilities
